### **This Month's Feature Band**

The Barrelhouse Wailers serve up their own take on Prohibition Era hot Jazz and Blues music of the 1920's 1930's. They perform only on acoustic instruments to retain the authentic sound of that period.

The Wailers bring their passion and energy to the style, making it as fresh today as it was when it was the newest, hottest dance music 90 years ago. They have been influenced by a cocktail of artists, past and present, like Bessie Smith, Ella Fitzgerald, Asylum Street Spankers, Gershwin, Sydney Bechet, Billie Holiday as well as Traditional New Orleans Jazz, Classic Blues, Country Blues and Jug Band sounds. They feature original compositions as well as tadeonal covers.

The Band was formed in the spring of 2012 by guitarist, Wayne Philipp, and singer Karen Parkhouse, who wanted to perform the Pre-WWII Jazz and Blues they both loved. Featuring a line up of 6-8 musicians, they began performing shows in January 2013 and have been playing steadily around Ventura and Los Angeles since then.

The Barrelhouse Wailers are: Karen Parkhouse Vocals , Wayne Philipp Guitar/Banjo, Diamond Andreo Drums/Washboard, David Leoncavallo Bass, Jim Wade Tuba, Andrew Chermak Cornet, Andrew Conchelos Trombone and Mario J. Maggio Clarinet.

. Prizes were a bit scant this month, probably due to all the shopping we did for the holidays. Even we forgot to bring a prize; but we won't forget next month and I hope you remember also. We invite everyone to participate and we thank you warmly. Remember, we are in this together and, it takes everyone's participation to make things work.

We sometimes have members who go above and beyond the call of duty to provide support to our main mission i.e. (perpetuate Jazz beyond our limited years via support of the Jazz Camp) .

I would like to note several members who exceeded this criteria at our last gathering in January. A total of \$503 was donated and the following people contributed \$100 each. We thank you profusely Hank Johnson, Edna Cecil and Tom Harmon for your generous donations. May God continue to bless you and keep you safe.

**A little poem. so true it hurts**

Another year has passed and we're all a little older.  
Last summer felt a little hotter and winter seems a little colder.

There was a time not long ago when life was quite a blast. Now I fully understand about "Living in the Past"

We use to go to weddings, Football games and lunches. Now we go to Funeral homes and after-funeral brunches.

We use to have hangovers from parties that were gay. Now we suffer body aches and wile the night away.

We used to go out dining and couldn't get our fill. Now we ask for doggie bags, come home and take a pill.

We use to often travel to places near and far, now we get sore asses from riding in the car.

We use to go to nightclubs and drink a little booze. Now we stay home at night and watch the evening news.

That my friend is how life is and now my tale is told.  
So, enjoy each day and live it up BEFORE YOU'RE  
TOO DAMNED OLD!!

To have you gig published, just contact our newsletter editor about your event by the 25th of the month BEFORE the event and we will do our best to list your event. Just email the details including date, address and phone number to Fly-boy49j@gmail.com.

Sunday January 15th the Emilio Barkett Acoustic Band appeared at the yacht club and entertained us with their wonderful Jazz music. The youngest member was sixteen and the oldest was twenty.

It's noteworthy to mention this, because each member of the band was sponsored by a local Jazz club to attend the Jazz Camp. With continued support by our dedicated members and Jazz enthusiasts we will accomplish our mission, i.e. to keep Jazz alive even beyond our years. Please visit this website for more info on Jazz Camps, [www.sacjazzcamp.org/](http://www.sacjazzcamp.org/).

### A LITTLE HUMOR

While a Military C-5 was turning over its engines on the runway, a female crewman made the safety announcements to the G.I.s regarding seat belt and emergency exits. Finally, she said, "Now sit back and enjoy your trip while your captain, Judith Campbell take you safely to Afghanistan".

An old Master Sergeant thought to himself "Did I hear her right, the Captain is a woman"? When the attendant came by, he said "did I understand you right, the captain is a woman". "Yes" said the attendant, "in fact the whole crew is female". "My God" he said, "I wish I had two double scotch and sodas. I don't know what to think with only women in the cock pit". "That's another thing sergeant", said the crew member, "we no longer call it a Cockpit, it's the Box Office now".

### WOMEN

Whatever you give a woman, she will make it greater. If you give her sperm, she'll give you a baby

If you give her a house, she will give you a home  
If you give her groceries, she will give you a meal  
If you give her a smile, she'll give you her heart.

She multiplies and enlarges what is given to her. So if you give her any crap, be ready to receive a ton of shit!
